

My Life

I have been in care all my life
I've thought about picking up a knife
I've done so much in the past
But now I'm giving my life a blast

I was bullied and abused by my ex
He would always go through my text
He held me hostage until I cried
"Stop it" I yelled, well I tried

I have met someone new
I have a better point of view
Thanks to GISDA for the support
I'm no longer in and out of court
