JOB DESCRIPTION

JOB TITLE	DIY Officer (House to Home)
LOCATION	Gwynedd
HOURS	15 hours per week
SALARY	B3 £21,373 - £22,688 (pro rata)
CONTRACT	to end March 2024

PURPOSE OF JOB

We are looking for a versatile and experienced person to do basic maintenance work within GISDA and work as a mentor for young people who are keen to learn new skills. The Creu Cartref GISDA project will guide young people on the basic skills needed when moving into their home. Often young people have not had a role model in their lives to learn skills that are essential for housekeeping. The young people will shadow this officer and volunteer their time to learn new skills

KEY RESPONSIBILITIES

- ⇒ Encourage young people to complete a series of maintenance workshops - including Agored Cymru accreditations
- ⇒ Collaborate with Caffi Creu's Environmental Officer to raise awareness of a circular economy with reuse.
- ⇒ Hold simple DIY workshops – how to change a bulb, put a frame on the wall, change a fuse etc
- ⇒ Complete basic maintenance work jointly with young people in their accommodation.
- ⇒ Repair damage to hostels, flats, houses and offices educating young people
- ⇒ Preventive maintenance
- ⇒ Keep a detailed register of any work done and maintenance equipment
- ⇒ Keep a register of equipment and ensure that they are kept in good condition
- ⇒ Carpentry such as installing doors, skirtings, shelves or curtain poles
- ⇒ General maintenance - filling holes in walls or doors, damage to furniture, basic plumbing
- ⇒ Keep public areas clear
- ⇒ Holding joint gardening sessions with the environmental officer.
- ⇒ Keep paths and gutters clear
- ⇒ Building furniture or equipment
- ⇒ Moving furniture
- ⇒ Carry out any other maintenance duty as required

COLLABORATE WITH GISDA YOUNG TO

- ⇒ offer training sessions in simple maintenance to support them to stay in their homes and maintain a tenancy
- ⇒ identify the maintenance strengths of individuals and encourage development in those strengths
- ⇒ mentoring individuals who have the desire to learn more about maintenance work whether it be repairs, painting, gardening etc.

GENERAL RESPONSIBILITIES

- ⇒ Contribute to own training and personal development.
- ⇒ Promote a friendly, non-judgmental, non-discriminatory attitude in all aspects of the work towards service users, colleagues, members of the Management Board and members of the public / other agencies.
- ⇒ Promote the Company's internal values and culture.
- ⇒ Promote the Company's aims and objectives.
- ⇒ Undertake any reasonable tasks as required.
- ⇒ Adhere to all current Company policies and procedures.
- ⇒ Contribute to supervision sessions.
- ⇒ Keep all information relevant to the Company, its staff and the Company's service users confidential.
- ⇒ Work in accordance with the Care Council for Wales Code of Practice.
- ⇒ Attend and contribute to team meetings.

You are drawn to the fact that, in some cases, it is very difficult to define precisely what the specific duties and responsibilities are and they may vary from time to time but without changing the general character of the duties or the level of responsibilities.

All staff are expected to accept elements of flexibility in their duties and responsibilities; when they have to change within the organization to meet the demands and needs of the service.
